3 (9) No L 9253-6/Ml 82-36-40, dated 11th May, 1938 sanctio the estimate for Rs 2,000/- for changing one of the compartments i the Kempambudhi septic tank for carrying out certain experimen - the chemical treatment of sewage

—

Mr C N Narasinga Rao wanted to know when the Municipal Co had accorded its sanction to this The President said that it did come before the House but was a recommendation of the Director of Heal

Mr C N Narasinga Rao wanted the subject to be deferred and the papers be put up

Mr K T Bhashyam Iyengar speaking next observed that it did

originate from the Council, there was no necessity for recording the Government Order and said that it may be resolved that the - Council regrets that it cannot record the Government Order sanctioning the estimate of Rs 2,000/- for changing one of the compartments of the Kempambudhi septic tank for carrying out certain experiments for the chemical treatment of sewage, as the sanction is made on the request of the Director of Public Health, without consulting and taking the consent of the Municipal Council in the matter

Mr P. Subbaramachetty supported Mr K T. Bhashyam Iyengar saying that such a procedure was an infringement on the right of the Council

Messrs. D. Rameswara Sa and B L Byanna also spoke to the same effect

Then Mr K T. Bhashyam Iyengar's proposition was passed by the Council
